1. The following is an examiner's statement of reasons for allowance:

The claims are deemed allowable over the art of record since the prior art does not disclose nor render obvious the film laminate combinations claimed and the matching elongation behavior of the polypropylene bonding side film or the acrylonitrile-butadiene-styrene bonding side film to the transparent extruded acrylic film of the laminate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
